Rams Set The Pace

Melville established themselves as the No. 1 premiership contenders in the W.A.F.A. this season with an impressive win over Southern Port Hamilton last Sunday.

After Mosman Park's surprise loss to Cockburn last week, Melville now remain as the only undefeated team in the competition. Melville established a two goal break on Southern Port in the first quarter at Davilak Oval and held on to that lead for the remainder of the match.

Mosman Park, one of the glamour teams of the WAFA competition this season, were simply outclassed by Cockburn at Beale Park. Cockburn, who sorted out a few off-field problems during the week stunned an over confident Mosman Park and cruised away to a convincing 28 point victory.

Mosman Park were unable to adapt to the wet and slippery conditions at Beale Park and Cockburn, with an aggressive and highly disciplined approach, outplayed their opposition.

Belmont, who have been struggling in the opening rounds, finally broke through for their first win of the season against Swan Valley at Forster Park. Belmont held a

slender lead at half time and after a downpour of rain in the third quarter, slipped away from Swan Valley and Won 11.12 to 9.6.

Today's feature match is undoubtedly the contest between Melville and Mosman Park at Tom Perrott Reserve. Mosman Park will be looking for revenge after their disappointing performance last week and this match promises to be an outstanding encounter.

Cont'd from Page 1

But Melville are the form team of the competition. Paul Lyons was outstanding in the ruck last week, Nipper Truscott was dominant in the centre and Dave Cox was prominent on the ball. Melville's defence was tight and their forward line well led by half forward Noel Cooper and full forward Con Tripi.

Mosman Park have one of the most experienced teams in the competition with Barry Haydinger in the centre, Ian Earl and Joe Madej in defence and Steve Rogers in attack.

Mosman Park coach Ian Earl admitted his team was over confident against Cockburn and paid the penalty. But Mosman Park will be a much more competitive team this week, however they will not have the depth of skill to upset Melville today.

Cockburn will be determined to continue their impressive form of last week when they take on Swan Valley today.

Midland who have not won a game this season come up against Belmont at Midland Oval. Belmont are overcoming their problems and are now starting to play some top football. Ken Owens was in excellent form for Belmont at Centre-half-back last week and he received good support from half-back Paul McRae and ruckman Rick Cox.

The closest Midland have come to a victory this season was against Swan Valley a fortnight ago when they went down by 15 points. Belmont were too strong for Swan Valley last week and they will have too much strength for Midland today.

COCKBURN HIT THEIR STRAPS

Our league team last week showed they have now come of age. As rival coach Ian Earl said after the game, Cockburn gave a disciplined display. Each player did the job asked of him. While Alan Bell, Paul Zuvella, Randall Prowse, Neil McCarthy and Murray Smart received recognition for their effort by winning best player awards, every Cockburn player deserves congratulations for the way they played.

It is difficult to single out individual names but in my opinion two players who stood out, playing extremely effective games were Dave Miles and Tony Gumina. Another consistent team player is Randall Prowse, who leads in the stats in smotherings, spoilings and shepherdings. Last week the league team won because every player was willing to do these unselfish and important things.

It was announced before the game that the club has formed a players "Accident Fund" to provide financial support to players who may miss work through injury or are hit by burdensome medical bills. The fund was started with an initial investment of \$100 raised through a raffle at the Cabaret, held last Friday week. Each player will now be asked to contribute \$2 per week to the fund. These players who contribute will be eligible to receive support from the fund. In the case of incurring financial loss through injury, last week's announcement was timely, because Bruce Berglin and Brett Patrick were subsequently taken to hospital with broken collarbones. The club wishes these players a speedy recovery and I'm sure all members send their best wishes and support.

The club Cabaret last Friday week was a great success. Many thanks must go to Dave Kay, Deanna Northan, Donna Cook, Peter O'Brien and Tony Northan for their efforts in organising such a good night. The club is always looking for ways to get the members together socially. If you have any ideas please let Dave Kay know.

It was great to see the Mosman Park players stay back for drinks with our members after the game. This type of social interaction is good for the competition and it makes for an enjoyable day. Thanks Mossies, and Belmont for staying back after the first game of the season. I hope all our players and supporters reciprocate by staying back for drinks with the home team when we are playing away from home.

BELMONT SHOW

IMPROVEMENT TO WIN

First of all congratulations to Tony Blakeney and his wife on the birth of their daughter Celeste. Once again the weather conditions were atrocious, but it wasn't enough to spoil the day for Belmont with wins in all grades. No Colts game was played again this week.

But onto the reserves and everyone put in a great game to win by about six goals, with 'Ginge and Andy Myers being the main goal scorers. Best players in this game were Tony Emery who put in a very gutsy performance, playing with two or more injuries incurred on the day. Another good performance by Captain Andy Myers who picked a lot of kicks around the ground. Great effort, Guys - keep up the good work.

Well, the league team finally broke through the ice as well. In a hard fought game we ended winning by 3 goals. Another very scrumbly game saw new player Richard Cox play the conditions perfectly. Coxy put his body into everything and played the game hard, and was named in the best. At half time coach Busher asked captain Paul McGrath to lift and set an example for the rest of the team, and Lardy did just that, starting from the depths of the backline, he was like a train bursting through packs, not stopping and sending long kicks into the forward line. Johnny Dimmer put in another top game last week and the best player on the field was Kenny Owens., Cuppa playing at Centre-half- back played a pearler of a game, taking marks as if it were a dry day and he set up many attacking moves for his side. Top game, Cuppa.

Anybody not financial or who doesn't show at training without a top reason will find it very difficult to get a game in either of the teams, so pay up and get to training.

Progress Our Aim

Once again Melville engaged in a hard fought game against Southern Port Hamilton. The spirit in which the game was played was a credit to both sides. Congratulations to Kim Davey and the colts for one of the best wins in years.

Dads army our reserve side did not perform too well. Obviously those old legs can't handle the wet weather. It was pleasing to see the continued good form of Troy Renouf. Watch out league - here he comes.

Our league team under the guidance of 'Manual' Micale keep keep pressing towards the finals. We welcome Young Fred Senior to our club and glad to have Noel Cooper back after injury. Good performances turned in by Paul (my car broke down) Lyons, Nipper and Boobie Micale.

Today the Rams meet the Mossies and I'm Sure we are all looking forward to the tussle.

Congratulations to Vince and his wife on the arrival of their first son.
